# Assignments

**Film Quizzes:** You have 20 minutes to complete each film quiz. All quizzes are conducted in ANGEL; students are NOT required to travel to campus or to use the testing centre. Each has 10 questions. You will not be allowed to backtrack to questions left unanswered. Plan and use your time wisely!

- Each of 12 quizzes is worth 10 points towards your course grade.

**Book Reports:** Please prepare a 250 word book report. These will serve as a study guide for you in preparing for tests and the final exam. When deciding what information to include in your book report, please consider which information tells us something about where the literature comes from and why we continue to care about it. Data such as the names of an author's three daughters will almost never help us understand a reading. At a minimum, your book report should include: about 50 words summarizing the authorship of a reading, about 100 words summarizing the reading, about 100 words discussing the context and significance of the reading, and three discussion questions/answers (answers should take the form of a thesis sentence, including both argumentative claim and ample evidence <http://www.csn.edu/PDFFiles/Library/thesis3.pdf>). There is a template available in "Orientation", under "Course Content."

- Each of 16 assignments is worth 10 points towards your course grade.

**Unit Tests:** You have 90 minutes to complete each test. All tests are conducted in ANGEL; students are NOT required to travel to campus or to use the testing centre. There are 40 questions. You will not be allowed to backtrack to questions left unanswered. Plan and use your time wisely! You may review this test for three days after you submit your answers.

- Each of five tests is worth 25 points towards your course grade

**Final Exam:** In the last week of the course, you will take the final exam. There are 175 questions. You will have 2 hours to complete the exam. You will not be allowed to backtrack to questions left unanswered. The exam includes multiple choice, short answer, and true/false questions covering the readings, videos/lectures, and other course material.

- The final exam is worth 100 points towards your course grade.
